

JOE LIM CHUIN FOONG

PROFILE

A fresh graduate looking for an entry-level position that will provide me with income and a sense of self-worth. I'm good at researching and developing marketing strategies. I always strive to achieve my goals and will not stop till I get the results I wanted. I also had a great understanding in English and could speak it decently. Finally, I'm an easy-going person who could communicate with fellow employees and colleagues.
